Dear Students and Parents:

Welcome to Professional Driving School.

We are located at **140 Hansen Street E, Suite 6, Twin Falls,** across the street from **Blacker's Appliance & Furniture.**

Driving time will be scheduled with the instructor at the student's convenience. Tuition includes thirty hours of classroom study, six hours driving time, and six hours observation time. **Please pay for your students permit at the DMV as soon as possible, as you will need this permit before you can start class!**

**To obtain a permit, the student needs to take to the DMV: the DMV Application from our website, their Official Birth Certificate, Social Security Number, Picture ID, and a Letter from the Public School Office.**

The actual permit will be mailed to PDS. You will be given a customer 2-part receipt (temporary permit) from the Department of Motor Vehicles, which you will be mailing to us.

Items that you need to mail to PDS include: 2-Part Permit Receipt from the DMV, Student Registration Form and Rules (both from our website), and \$550 for your tuition.

\*Please make sure the e-mail on the Student Registration Form is clear and legible!

After receiving the documents and tuition, you will be e-mailed an online code for starting the class. Upon receiving the code, the student will be taking at least 3 pages of notes per unit lesson and after the first 2 units may call and arrange for their first drive.

**The only items necessary to bring to driving instruction are a pencil and a notebook with the students notes from each lesson unit.**

Please contact us at (208)734-0586 if you have any questions.

**Cash, check, and money orders are accepted.**

**We are looking forward to seeing you in class!**
